THE WHITSUNDAYS

### About The Whitsundays

**The heart of the Great Barrier Reef**, in Tropical North Queensland. The Whitsundays 74 islands are located approximately 1100km north of Brisbane and 700km south of Cairns.

The islands are **fringed with coral reefs** and **white beaches** and offer many secure anchorages. The outer Great Barrier Reef provides protection from ocean swells. Several resorts are scattered throughout the Whitsunday Islands, most welcome visiting boats, offering evening entertainment, dining, and the use of their facilities.

EXPERIENCE

### Experience Requirements

**No formal boating qualifications are required** to charter a boat with Whitsunday Escape. To enjoy a safe and stress-free holiday it is important that you know where you are going, how to get there safely and how to anchor your boat.

For those wishing to brush up on their boating or navigation skills, you can hire a **'sail-guide'** for half a day or longer, or we can give recommendations on gaining experience prior to arrival.
